Good-Bye Song

Back Pack Boogie
(All Day Long CD)

Get your back pack and clean out your desk
Throw all the trash away and take home your best.
Put your books and pencils away.
We're finished with school for today.

Look on the floor, and what do you see?
Put all the scraps in the trash can, please.
Push in your chair and take a second or two
To see what else you should do.

Chorus:

Do the back pack boogie, it's the dance that's cool. (Pretend to play a guitar.)
The back pack boogie when it's time to leave school.
The back pack boogie, you know what to do.
The back pack boogie!

Get your back packs and lunchboxes, too.
Don't forget if you have homework to do.
Clean up the room, make it tidy and bright.
I'll see you tomorrow, alright?

Did you wear a coat or sweater today?
Get everything you brought together, O.K.?
It's time to go, say good-bye to your friends.
The school day has come to an end.
